EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In The Specification:

Replace the title of invention with -- A METHOD OF MANUFACTURING A LAMINATION TYPE PIEZOELECTRIC ELEMENT --.

Reasons for Allowance:

The following is an examiner's statement of reasons for allowance: the prior art does not teach all of the limitations of the claimed invention including:

- a groove forming step of forming a dent portion coming into contact with an outer circumferential end portion of at least some part of the inner electrode layers by irradiating a laser beam onto at least the joining face on the outer circumferential face of the ceramic laminated body so as to form an outer circumferential groove portion, the shape of a recess portion is which is formed into a belt-shapes, or the shapes of a plurality of recess portions connected with each other of which are formed into a belt-shape; and

- an embedding step of forming at least one of an insulating portion made of insulating material and a conductive portion made of conductive material in the outer circumferential groove portion,
- wherein the outer circumference groove portion having at least one protruding portion protruding from the periphery inside the dent portion or having at least one protruding portion protruding from the dent portion, arranged between the dent portions adjacent to each other is formed by adjusting an irradiating condition of the laser beam in the groove forming step, and
- the dent portion is embedded so as to cover the protruding portion by forming at least one of an insulating portion made of insulating material and a conductive portion made of conductive material into the outer circumferential groove portion in the embedding step.

Accordingly, claims 10-18 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
